A NOTE ABOUT OTHER SAFETY PRECAUTIONS

- PPE is required for our factory tour. To assist in sanitary precautions, TMH is providing bagged, individual use PPE which may be kept after the plant tour. If you intend on taking the Belmont paint plant tour, we ask that you keep this PPE for that tour.
- While proof of vaccination from COVID and the use of masks are not required for this tour, face masks will be provided to those who wish to use them. Please observe safe distances and be considerate of fellow tourists and tour guides.
- This tour is completely voluntary and while the guides for Tiffin Motorhomes will observe all safety precautions, Tiffin Motorhomes is not responsible for accidents while on the tour. The tour is not self-guided, so please adhere to the rules and judgements of the tour guides for your safety.
