TIFFIN MOTORHOMES

WHEREVER YOU GO, WE GO.

SUNLIT SAND EXTERIOR

A GREAT START TO YOUR JOURNEY.

Ready to get under way? So is the Allegro. And if you're new to motor homes, it may be exactly the right start for you. It's easy to drive and maneuver and affordably priced, yet Allegro's engineering and construction are pure Tiffin. When you join our family of owners, you're part of a unique ownership experience. Hundreds of Allegro owners come back to visit us in Red Bay every year, and Bob Tiffin is glad to talk with them when they do. Our industry-leading warranties include 10 years for structural integrity and 5 years for lamination. The 2010 Allegro comes in five exterior colors, including Rocky Mountain Brown, a new lighter color suggested by owners. A sleeper sofa and the option of a floor plan with bunk beds let you bring everyone along for the ride.

THE ROAD IS READY. SO ARE YOU.

COCKPIT

Slip into the optional Halo leather driver's seat, and watch a great country come to life before your eyes. Allegro is the legend Tiffin was built on, and today it's better than ever. Thirty years of satisfied owners will tell you that the engineering that goes into an Allegro makes it one of the most reliable, comfortable motor homes on the road. Because we know you'll want to take your life with you, there's ample under-coach storage with bins for your luggage and tailgating equipment. Flat screen TVs and the optional surround sound home theater system may be even more impressive than what you have at home.

ACTUALLY, YOU CAN ENGINEER HAPPINESS.

Tiffin engineers employ innovative construction techniques, which deliver superior resilience and stability. And we use high-quality components, such as laminated sidewalls and floors to provide ultimate durability and sturdiness on the road. These safety steps ensure that our owners enjoy lasting value, year after year. For a complete list of specifications and options, please visit tiffinmotorhomes.com

CONSTRUCTION SPECIFICATIONS

ROOF

1. One-piece, moisture resistant molded fiberglass roof cap provides insulation and strength and prevents water intrusion
2. 5½" formed insulation
3. Quiet Air Cooling System with return air and foil-wrapped cooling exhaust ducts
4. Durable, tubular aluminum roof skeleton
5. Easy-to-clean soft touch vinyl ceiling panel

SIDEWALL

1. Gel-coat fiberglass outside wall panel
2. High-performance thermal insulation
3. Durable, yet lightweight, tubular aluminum wall skeleton
4. Decorative inside wall panel

All sidewalls are approximately 2" thick.

FLOOR

1. Vinyl tile floor bonded to high-impact oriented strand board
2. High-level engineered oriented strand board
3. High-performance thermal insulation
4. Durable, tubular steel floor skeleton
5. Woven moisture barrier material

STRUCTURAL

BROADEN YOUR HORIZONS.
AND YOUR LIVING SPACE.

LIVING AREAS

Our designers kept the Allegro interior simple and elegant, so you can accessorize it to your tastes. Color themes Estate, Key Largo, and Platinum are all new for 2010. You'll find standard Formica® countertops and solid wood cabinet fascias with stacked drawers under the stove for cookware storage. Entertaining's a pleasure, and cleanup is a breeze thanks to the Scotchgard® treated fabrics and carpets, and an optional vacuum cleaner system. Privacy is a priority, with a separate closed-off lavatory and the option of a floor plan with a separate shower area. The tile floors are elegant, durable, and easy to clean. The bedroom features an innerspring queen mattress, spacious wardrobe with built-in drawers, as well as dual nightstands and an optional 26" TV.

OPTION KEY

WHEREVER YOU GO, WE GO.

These days, that simple promise carries more weight than ever. In a time when some companies have struggled, a manufacturer who stands behind the product they build has never been more important. We've never been prouder of the strength of our company, our warranty and service plan (still the best in the motor home industry), and most importantly, the trust we've built with a very special group of motor home owners. We understand the richness that travel brings to your life, and our family is so proud of the relationship we have with yours. You are the reason we do what we do and why we never stop working to build a better Tiffin experience for you.

WARRANTIES THAT GO WHEREVER YOU GO.

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY - The structural integrity of the entire coach is guaranteed for the next 10 years. Warranty includes wall separation and inner frame weakness.

5-YEAR LIMITED LAMINATION WARRANTY - We guarantee against all exterior fiberglass delamination or wall separation.

Start your journey by visiting our website. We'd love to hear from you, so give us a call, send us a postcard or stop by our office the next time you pass by Red Bay. Because remember, wherever you go, we go.

Sincerely,

A handwritten signature in black ink that reads "Bob Tiffin". The signature is written in a cursive, flowing style.
