

2014

Zephyr®

TIFFIN MOTORHOMES

AMERICA'S FAVORITE MOTOR HOME BUILDER

ZEPHYR 2014

For the ultimate in luxury, no other coach in its class even comes close.

IT'S IMPOSSIBLE TO INTRODUCE THE 2014 ZEPHYR BY TIFFIN MOTORHOMES WITHOUT SUPERLATIVES. How else to describe the most luxurious, the most powerful, the most spacious coach that our company has ever built? Top to bottom, the Zephyr embodies everything we've learned over forty years of luxury motor home design, construction, and engineering. Packed with features and amenities not found in our other models, this is the coach for luxury lovers who want a million dollar motor home but without the matching price tag. To see Tiffin at our finest, take a look at the 2014 Zephyr.

MADE TO MOVE YOU.

COCKPIT

The command center awaits your every command.

Welcome to the ultimate power trip, courtesy of a Cummins ISX 11.9-liter 500 HP engine capable of propelling a 45' coach while towing up to 15,000 lb. At your service is a buffet of instrumentation housed in a handsome burled wood console, along with an army of controls located on the VIP Smart Wheel. Minding your comfort levels are adjustable accelerator and brake pedals that conform to your preferred driving position, assisted by firm, deeply cushioned six-way power seats for captain and co-pilot. For maximum stability, front seats are steel-bolted to a Spartan K2 chassis, which is also fitted with a steel cockpit support frame and steel/aluminum laminated sidewalls, floor, roof, and basement.

SMOOTH RIDE

The Zephyr's easy handling turns travel days into relaxation therapy. Six-point Spartan air bag system, independent front suspension, and responsive Allison 4000 MH transmission work in tandem to deliver a smooth quiet ride, even when accelerating on a merge ramp or climbing two-mile grades through the mountains.

DUAL LEVELING SYSTEMS

Once you're parked for the night, a push of a button activates your electronic air leveling system. Completely automated, the system balances the coach on an even plane by adjusting pressure in the air suspension. If the ground surface is too uneven for air leveling, call upon your back-up system, the automatic hydraulic leveling jacks.

PASSENGER COMFORT

Co-piloting the Zephyr offers its own rewards. An in-dash computer workstation slides in place to support a laptop, while the passenger's chair footrest invites you to put your feet up. Overhead fans, map lights, and dash drawers are within easy reach during the journey.

FLOOR PLANS

So spacious and luxurious, our floor plans may make your house jealous.

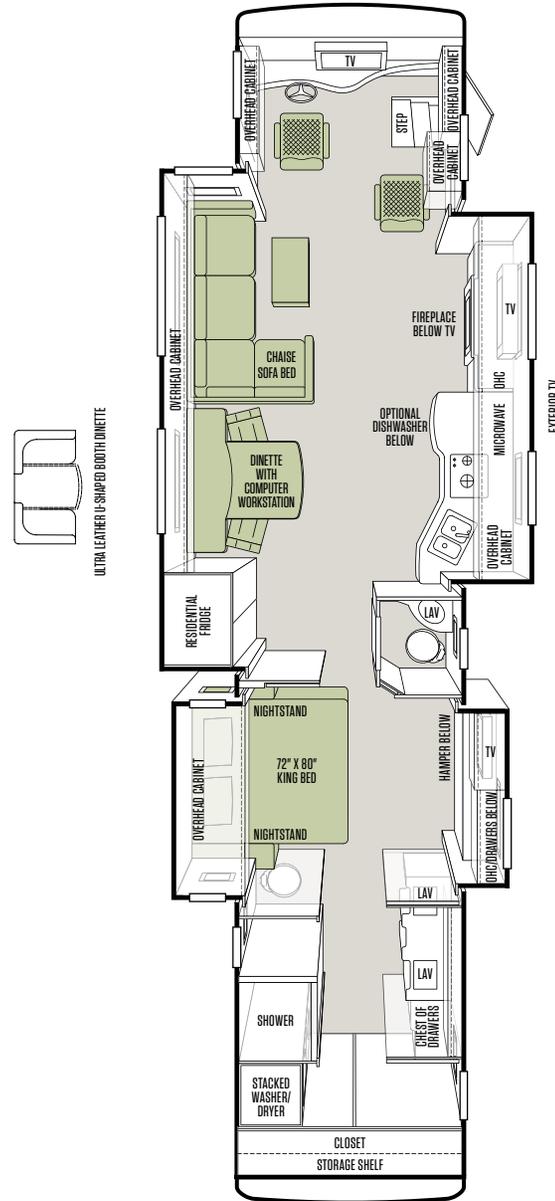

There's a Zephyr floor plan perfect for how you live. That's because our floor plans are based on ideas and recommendations from customers like you, folks who share your lifestyle needs. We actively survey Tiffin owners for their suggestions on modifications that can help improve the flow and functionality of our layouts. Our engineers utilize every single inch of each plan, giving you room to roam on the inside while you roam the outside.

TIFFIN INNOVATION: EXTRAORDINAIRE™ AC SYSTEM

The interior ambiance in your Tiffin coach is enhanced by a state-of-the-art heating and cooling method, developed by Tiffin engineers for exclusive use in our luxury coaches. Modeled on residential-style systems, it uses adjustable registers and return vents placed the length of the ceiling to keep the airflow moving in a circular pattern to maintain your desired interior temperature. Whisper quiet and incredible efficient, it easily lives up to its name – Extraordinaire.

LIVING AREAS

Even with the blinds closed, the scenery is breathtaking.

The true beauty of the Zephyr reveals itself within. An aura of elegant ease fills these luxurious interiors, the perfect atmosphere for relaxed travel. The living room redefines spaciousness, with 7' high ceilings and depth of 13' with slide-outs extended. Tiffin's renowned attention to detail is on display everywhere, from richly hued designer fabrics and plush furniture to the polished porcelain tile floor, patterned by hand from hundreds of tiles. Triple terraced crown moldings accent the room, as does a multitude of built-in cabinetry, handcrafted from cherry and finished with a high gloss.

SUPERIOR CONSTRUCTION

There's a sense of tranquility inside the Zephyr, as the intrusions of the outside world disappear with the close of the door. This peace and quiet is the result of a superior construction process that delivers the ultimate protection from the elements. Exterior walls are made from substantial gel-coated fiberglass, as is the seamless molded roof cap, a Tiffin innovation. Tiffin-engineered double-paned windows silence noise, as well as insulate against temperature fluctuations.

THOUGHTFUL DESIGN

Conveniences highlight the Zephyr's interiors. A central control panel next to the refrigerator offers motorized command of all the solar and privacy shades in the living and galley area, raising and lowering them in unison or individually. The elegant sofa transforms into a comfortable queen-sized bed, while a dinette easily converts into a tailor-made computer workstation.

TIFFIN STORE-IT-ALL™ ASSURANCE

Rest assured, this Tiffin coach will surpass a competitor's model of equivalent size in the quantity and quality of storage.

EXPAND-AN-ISLAND

INDUCTION TWO-BURNER COOKTOP

KITCHEN

All the comforts of home. And then some.

A seamless merger of high-tech and high-efficiency, the Zephyr kitchen is well equipped for a modern chef-on-the-go. The star of the all-electric galley is a sleek induction cooktop, delivering flavor-enhancing speed and precision. Countertops are in generous supply, with the innovative Expand-an-island on hand to add more elbowroom, when needed, to the food prep area. Solid surface sinks lend elegance and the convenience of two bowls, while a burnished stainless steel residential refrigerator ensures groceries are well stocked. Cleanup is barely a bother with the central vacuum cleaner system with VacPan and an optional dishwasher.

INDUCTION COOKTOP

Beautiful functionality of an electric induction cooktop blends seamlessly with the solid surface countertops for a streamlined silhouette. With no open flame or released gas, the cooktop remains fairly cool to the touch with the majority of heat transferring to the cookware.

ALL-ELECTRIC COACH

Electricity is supplied via a network of power sources, including a Magnum 3000 watt sine wave inverter, 50 amp service, 12.5 kw Onan® Generator, and two solar panels. An energy management system regulates usage, ensuring efficiency and continuous output.

HANDCRAFTED DÉCOR

Mosaic-tile backsplashes and high-gloss cherry wood cabinets evoke a charming ambiance in the galley. All tile and woodwork in the Zephyr is meticulously handcrafted by skilled artisans, including the polished porcelain tile floor throughout the coach.

BEDROOM / BATH

A master suite so luxurious you'll be dreaming of bedtime.

At the end of the day, retire to your personal oasis, the sumptuous master suite. Close the door, draw the shades, and enjoy total privacy, as well as the lavish comforts of premium bedding, spacious bathing quarters, and generous storage. Alter the room's mood with a choice of personalized illumination settings easily accessed from lighting controls in the nightstands. Every comfort has been considered, with full-length mirrors, vanity with built-in drawers, laundry center with stacked washer and dryer, and a 4' x 8' walk-in wardrobe closet, an unheard-of luxury for motor home living.

REST

The centerpiece of your suite is a regal cherry headboard made for a king mattress that is available in your choice of Select Comfort or Memory Foam. Also on hand is Tiffin's Extraordinaire™ AC system that creates the perfect climate for a refreshing night's sleep. A switch on the bedside table lets you add the breeze of a ceiling fan. On cool nights, invite a pleasant cross breeze with easy-open windows on both sides of the bed.

REFRESH

For your convenience, the coach is equipped with two lavatories, allowing you to reserve the en-suite bathroom for your private use and the other, located in the midsection, for guests. The master bath is beautifully furnished, with solid surface sinks and an impressive mosaic tile shower. Among the uncommon luxuries aboard the Zephyr is the comfort of unlimited hot water, furnished by a hydronic system that heats water on demand.

WARRANTY

You won't find a better warranty because you won't find a better-built coach.

The Tiffin Five-Star Warranty.
The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won't find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

★ 10

**YEAR
CONSTRUCTION
WARRANTY**

The structural integrity of the welded frame of entire coach is warranted for 10 years.

We build our coaches to the highest standards: Yours.

Tiffin Motorhomes never set out to become the largest Class A manufacturer in the country. Our goal was to build the kind of motor home that we — a family who loves the RV lifestyle — would want to own, a coach with advanced engineering, the most durable parts, the finest materials. A motor home that makes each and every road trip feel like a vacation — relaxed and fun.

From the start, we consulted the experts, the people who put motor homes to the test — our kindred spirits, fellow RV owners. Today, more than four decades later, this ongoing collaboration is at the heart of our success.

Listening to what our customers want is the reason Tiffin leads the industry in innovations. Offers more floor plans than anyone else. More storage. The industry's best warranty. It's why RV dealers consistently give us their highest rankings for quality, design, reliability, and value. It's why, among more than 50 Class A models on the market, our coaches are consistently among the top sellers. And it's why we've earned the highest owner loyalty rating in the industry.

Any motor home can get you from here to there. The feeling you get as you enjoy every carefree mile in between is why you buy a Tiffin.

MADE TO MOVE YOU.
