2022 ZEPHYR

WELCOME TO THE PINNACLE OF ADVENTURE.

Indulgent comfort. Premium amenities. Modernized technology. They're all yours in the stunning new 2022 Zephyr, flagship of the Tiffin line-up. From front to back, the new Zephyr includes more luxurious features than ever before. Its 605 HP engine paired with Tiffin's PowerGlide Chassis provides a smooth, powerful ride. The cockpit offers a stunning array of advanced features that keep you confidently in control. Then, once you've arrived, it's time to enjoy the Zephyr's overflowing complement of upscale amenities. The new for 22 MIRA app puts control of all of your coach's systems in the palm of your hand, right on your smartphone while in or around your coach. Four flat-screen TVs with the Winegard In-motion Satellite dial up the entertainment. The cook's kitchen is immaculately appointed for even the biggest feasts. Plush seating and 7' ceilings keep things comfortable. And the ample bedroom is designed for maximum relaxation. All with Tiffin's handcrafted cabinetry throughout. On the road or at your destination, this RV stands alone. Take a trip into luxury. In your new Zephyr.

Top to bottom: Bathroom with Tri-view Vanity Mirror and Quartz Countertops; Power Smart King Bed; Living Area with Theater Seating on Driver Side. All interiors shown are 45 PZ with Shadow cabinets, Shore Club II décor.

NEW

These other top-of-the-line features set the Zephyr apart.

As an innovator in the RV industry, Tiffin Motorhomes has introduced many unique amenities to enhance your enjoyment of our coaches. Features may not be available on all models or floor plans. Please see specifications for details and more.

Clockwise from top: Dinette with Computer Workstation and Ultraleather DE Sofa Bed on Passenger Side; Residential Refrigerator and optional Beverage Center; Stacked Washer/Dryer; Cockpit; Shower; Bedroom TV. All interiors shown are 45 PZ with Shadow cabinets, Shore Club II décor.

Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with four layers of superclear coat with ultraviolet protection. An additional layer of high-performance film protects the front of the coach and select areas.

Floor Plan

The design of the Zephyr floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown. All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.

45 PZ

Reflecting over four decades of innovation, Tiffin's exclusive, custom-built PowerGlide Chassis demonstrates our ongoing commitment to delivering a motorhome experience that's precisely engineered for durability, reliability, performance, and control wherever your journey takes you.

MULTIPLEX WIRING WITH DIAGNOSTICS

The PowerGlide's multiplexed electrical system, with auto-reset fuses and relays, uses less wiring and increases reliability, efficiency, and flexibility.

DYNAMOMETER TESTING

Our dynamometer testing simulates full power road testing, enabling us to better assess engine performance, cooling system function, and instrumentation.

POWERGLIDE CHASSIS WARRANTY

The PowerGlide carries a Tiffin-backed limited warranty for three years or 50,000 miles against defects in materials and workmanship.

HUCK-BOLTED CONSTRUCTION

Huck Bolts are precision engineered two-piece fasteners. Huck Bolts are vibration resistant and provide direct metal to metal contact when installed.

Specifications

POWERGLIDE® CHASSIS

- Independent Front Suspension
- Allison 4000 MH Transmission
- Six Aluminum Wheels
- Two-stage Compression Engine Brake
- Tru-Track Steering Tag Axle
- Combination Valid Air Leveling System with HWH Hydraulic Leveling Jacks
- Electronic Stability Control
