BEAUTY IN MOTION

For those who seek the ultimate in RV luxury, look no further than the pinnacle of Tiffin's line-up — the magnificent 2019 Zephyr. Designed to impress, this 45' solid-structured coach is Class A craftsmanship at its finest, perfected by Tiffin over four decades of building luxury motorhomes. Everything about the Zephyr is beautiful to the eye and premium to the touch: Custom woodworking throughout. Amenities to rival a high-end hotel. Masterful engineering that commands the road. Without a doubt, this is the coach for customers who want a million dollar motorhome without the matching price tag.

BED/BATH

MASTER BEDROOM

MASTER SUITE

Close the door, draw the shades, and enjoy total privacy in your sumptuous master suite. Every comfort has been considered, with king-sized bed, vanity with built-in drawers, laundry center with stacked washer and dryer, and a walk-in wardrobe closet. For your convenience, the coach is equipped with two lavatories, allowing you to reserve the en-suite bathroom for your private use and the other, located in the midsection, for guests.

MASTER BATHROOM AND STORAGE

Woodwork is created from solid hardwood by Red Bay master craftsmen. The multitude of cabinets, drawers, and closets adds up to more storage than many larger-sized models.

MAIN COMPARTMENT

The Zephyr's luxurious interiors create the perfect atmosphere for relaxed travel. The living areas redefine spaciousness, with 7' ceilings, four slide-outs, and 45' floor plan. Incredible attention to detail is on display everywhere, from the designer fabrics and plush furniture to handcrafted cabinetry and polished porcelain tile floor. Entertainment is always at the ready with a Winegard In-Motion Satellite, home theatre system with DVD, and four flat screen TVs.

All interiors shown are 45 PZ with Cherry Wood Cabinets and Shore Club Interior.

The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach's battery life.

From top-of-the-line appliances to spacious storage, this designer kitchen is perfect for a modern chef-on-the-go. Countertops are in generous supply, with an Expand-an-island on hand to add more room to the food prep area, when needed. Residential-sized refrigerator ensures groceries are well stocked, while optional dishwasher simplifies clean-up. The elegant panoramic window that adorns the galley is one of the coach's many Tiffin-engineered double-paned windows.

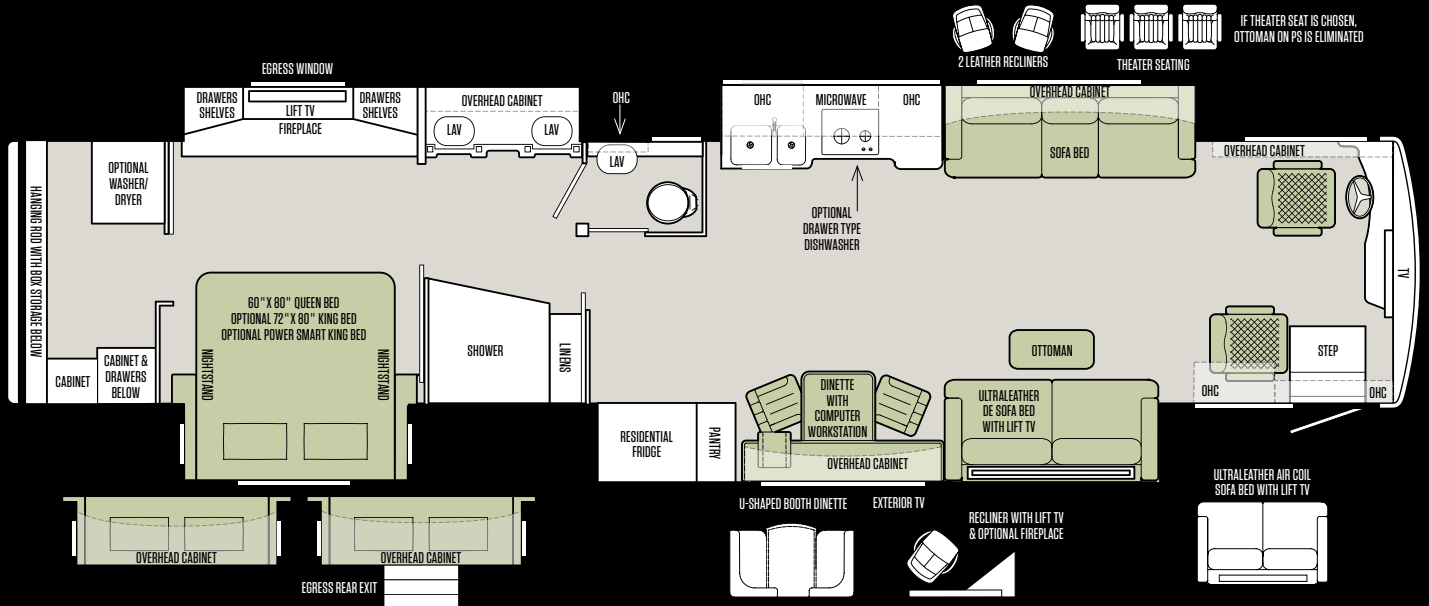

FLOOR PLANS

The design of every Tiffin floor plan must meet four essential criteria: Maximum space. Optimal organization. Relaxation plus. Elegant atmosphere. MORE plans offer your family the most comfortable layout for life on the motorhome.
