TIFFIN
MOTORHOMES

2015 ALLEGRO BUS

Home, sweet motorhome.

LUXURY IS WELL ADDRESSED IN OUR MOST POPULAR COACH FOR FULL-TIME RV-ERS.

Folks who love to travel but hate leaving home will find the best of both worlds in the 2015 Allegro Bus. Blending luxury with down home, common sense comforts, this model offers sprawling floor plans, top of the line amenities, and one of the most powerful diesel pushers available. It's also big on space, touting basement storage up to 175 cubic feet. In fact, the only thing that's not extravagant about the Allegro Bus is its price.

RIDE

Even parked, it still commands the road.

Built on Tiffin's acclaimed PowerGlide® chassis, the 2015 Allegro Bus is a Tiffin product from top to bottom, and it shows, earning raves from industry experts and owners for its superior construction and impressive durability. The Bus also boasts glowing reviews for its quiet ride, capable handling, and ability to tow heavy loads. Responsive steering, aided by independent front suspension, produces maneuverability you'll appreciate with every turn.

PERFORMANCE

The rear-mounted Cummins ISL engine is a powerhouse, packing 450 horsepower and 1250 lb of torque to conquer every hill and highway. An Allison 3000 MH 6-speed automatic transmission capably controls weight distribution, even when towing up to 15,000 lb.

COMMAND

From the driver's cab, a panoramic view of the horizon stretches ahead, courtesy of a seamless wrap-around windshield. Brake and gas pedals, along with power captain's chair, adjust to driver's preferences. Lighted controls are both easy to read and easy to reach.

NAVIGATION

Road-smart features help the Bus function as a virtual co-pilot: Rear/side cameras monitor traffic while an in-dash navigation system keeps you on course. An optional Mobileye® camera and sensor system signal unanticipated lane movements and obstacles in the road.

FLOOR PLANS

With so many thoughtful features, our floor plans are now called MORE plans.

The design of every Tiffin floor plan must meet four essential criteria:

- Maximum space.
- Optimal organization.
- Relaxation plus.
- Elegant atmosphere.

Together, they add up to offer your family the most comfortable and convenient layout for life on the road.

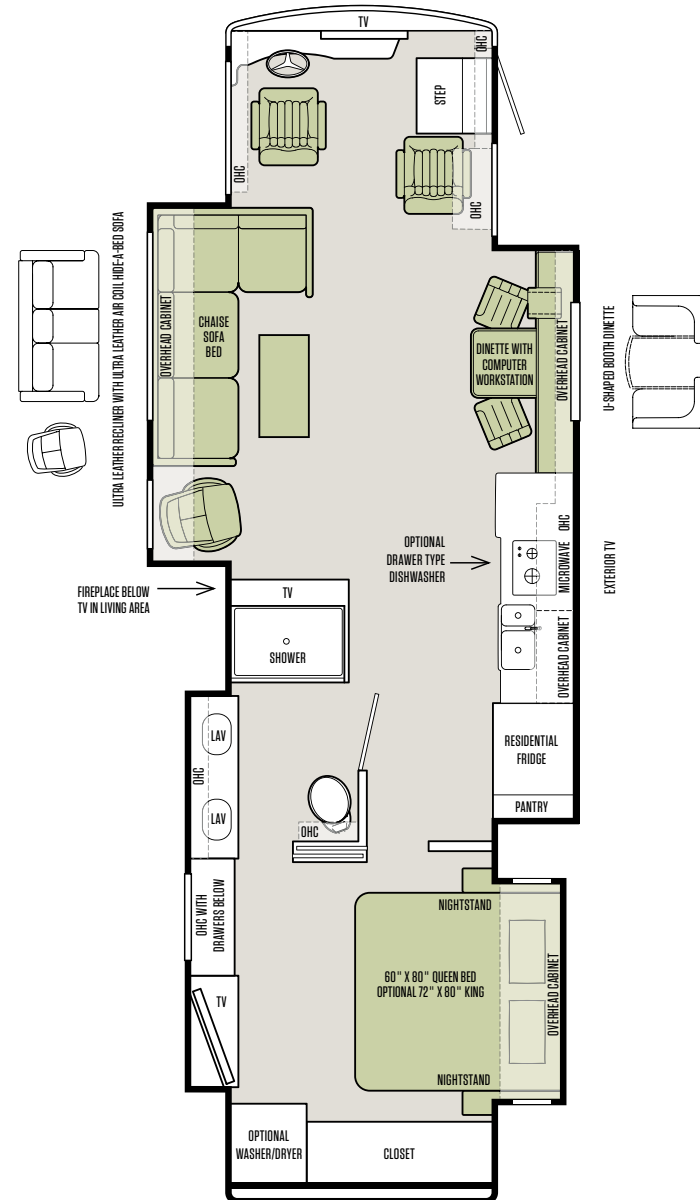

TIFFIN INNOVATION: EXTRAORDINAIRE™ AC SYSTEM

The interior ambiance in your Tiffin coach is enhanced by a state-of-the-art heating and cooling method, developed by Tiffin engineers for exclusive use in our luxury coaches. Modeled on residential-style systems, it uses adjustable registers and return vents placed the length of the ceiling to keep the airflow moving in a circular pattern to maintain your desired interior temperature. Whisper quiet and incredibly efficient, it easily lives up to its name — Extraordinaire.

LIVE

The notion of what home can be is forever changed.

Trading a brick and mortar house for a mobile one is an exciting prospect, but also a daunting one. Will you have space for everything you need? No worries with the Allegro Bus. Designed specifically for full-time living, this coach is a masterpiece of spatial engineering, maximizing every inch to give you the storage you need. With 7' ceilings, floor plans up to 45', and four slide-outs, it's so spacious you may forget it's a motorhome.

LUXURY

Tiffin's fine craftsmanship is evident in every detail, from handcrafted cherry wood cabinets to hand-laid porcelain tile floors. You'll also be pampered with soft touch padded ceilings, designer LED lighting fixtures, and optional heated flooring throughout the coach.

NECESSITY

The essentials of modern life come standard: Hot water on demand, furnished by the Aqua-Hot® system. Residential-style air conditioning, courtesy of our Extraordinaire™ technology. And plentiful electricity, supplied by a 10,000 watt generator and a pure sine wave inverter.

TIFFIN STORE-IT-ALL™ ASSURANCE

The 2015 Allegro Bus offers Store-It-All Assurance, Tiffin's desire to exceed competitors in storage capacity, a needed commodity in any motorhome. Deeper than industry standards, our cabinets feature adjustable shelving and sliding compartments for better organization. Drawers are outfitted with full extension metal slides to pull completely open. All cabinetry is handcrafted from solid unblemished hardwood and features Tiffin's trademark fit-and-finish detailing.

DINE

Welcome to a roadside diner that never closes.

No recipe will be left behind in your Allegro Bus kitchen, which is as well equipped as any residential counterpart. For proof, look no further than the residential refrigerator, full-sized convection microwave, and optional dishwasher. Gourmet chefs and cooks in a hurry will appreciate the quick-heating induction cooktop, a sleek complement to polished countertops and stainless steel appliances.

KITCHEN HELPERS

Tiffin innovations are found throughout the galley. To add counter space, pull out the concealed Expand-an-island, cover sinks with custom inserts, and close the hinged cover over the cooktop. Keep utensils and other items handy in Tiffin's exclusive multi-compartment StowAway™ drawer.

EASY TO ORGANIZE

With spacious windows in the dining area, meals can be served with your choice of scenery. Or activate the automatic awning and create an outdoor patio. Tables and chairs are easily retrieved from under the coach, which also has room for an optional freezer.

ONBOARD CONVENIENCES

Life is short. Why spend it cleaning? The Allegro Bus simplifies household chores with a central vacuum system, eliminating dirt and pet hair in seconds. Save trips to the laundry with the optional washer/dryer.

REST

The nicest rest stop on the road.

The master bedroom suite provides everything needed for sweet dreams. You'll be spoiled with all the choices of mattress options, all of luxury hotel quality, ensuring proper support for your back. Peace and quiet are assured, too, with sound-blocking dual-pane insulated windows, multi-layered fiberglass walls and ceilings, and one-touch power privacy shades. Add the final touch — the gentle breeze of a ceiling fan and drift away.

EXTRA TOUCHES

You'll appreciate thoughtful details throughout the suite, like optional heated tile floors, built-in reading lights, and an array of compartments, cabinets, and nightstands around the bed. A bedroom safe protects valuables, while a front door deadbolt guards everything else inside the coach.

PRIVACY PLUS

A popular choice is our bath-and-a-half floor plan, providing a midsection lavatory for guests and a private chamber in the bedroom for you. Amazingly spacious, the Bus' restrooms are beautifully outfitted, including an elliptical solid surface shower that is a true showstopper.

AQUA-HOT™

The ultimate on-the-road luxury, a diesel-fueled hydronic heating system delivers unlimited hot water and evenly distributes heat throughout interiors and basement.

INTERIOR DÉCOR

Ready to personalize your coach? Our sophisticated color palettes — available in Aspen, Bamboo, Ritz, and Watercolor — lend a professional decorator’s touch to family living spaces, as well as beautifully complement your personal style. Hardwood cabinetry, built by hand in our Red Bay mill, comes in your choice of finishes: Cherry Wood, Natural Cherry, Glazed Canyon Cherry, Glazed Cherry, and Glazed Honey. (An alternate finish for the bath, White Chocolate, is available with the Glazed Canyon Cherry, Glazed Cherry and Glazed Honey options.) To view larger images of all interior décor design swatches, visit tiffinmotorhomes.com.

WARRANTY

You won't find a better warranty because you won't find a better-built coach.

The Tiffin Five-Star Warranty.
The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won't find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

★ 10

YEAR
CONSTRUCTION
WARRANTY

The structural integrity of the welded frame of entire coach is warranted for 10 years.

★ 5

YEAR
DELAMINATION

A family business built around yours.

Tiffin Motorhomes is proud to be one of the few family-owned manufacturers in the industry, and it makes a significant difference in how our company operates versus our competitors. For starters, with the Tiffin name on every coach, building a superior motorhome isn't just our occupation. It's a matter of personal pride, a pursuit we have committed our lives to perfecting.

Since we don't have shareholders looking over our shoulder, the only people we focus on making happy are folks like you. All the decisions we make, from using better parts to offering more thoughtful floor plans than anyone else, are based on what will result in a better motorhome, not a better dividend check. In fact, some decisions, like limiting production to 12 coaches a day to ensure quality craftsmanship, probably wouldn't sit too well with a corporate board of directors.

Also, when we say family-owned, that means family-operated, too. Tim Tiffin has been our General Manager for more than a decade, guiding the overall direction of our company. Van Tiffin oversees innovations as head of Research & Development, and Lex Tiffin's work with Supplier Relations helps us maintain our high standards. Of course, everyone knows our founder Bob, who is in the RV Industry Association's Hall of Fame and is still the first one at the plant every morning at 5:00 a.m.

As a family running a motorhome company, we understand families who own motorhomes. We know it's not just about where a coach will take you, but the experience you take from the journey. That's why every Tiffin motorhome is made to move you.
