- RAM® Tough-Tray™ fits nearly any laptop
- Ball and socket technology provides adjustability for optimal viewing and operating angles of your device
- Modular design supports swapping the RAM® Tele-Pole™ for RAM® tablet holders
- RAM® Tele-Pole™ system sets your laptop or tablet to the ideal height
- RAM® No-Drill™ bases are designed for your specific vehicle

For anyone needing to utilize a mobile office, RAM® Mounts delivers in-vehicle laptop solutions that provide durability and vibration damping while on the road. RAM® No-Drill™ mounts install using existing hardware, while the RAM® Tele-Pole™ extension supports the attachment of printer mounts and can be easily adjusted to the ideal height and position. Lastly, the RAM® Tough-Tray™ holder secures a wide range of laptops—and even supports the attachment of a phone mount on its side.

## RAM® LAPTOP MOUNTS

RAM® Mounts offers the most comprehensive selection of mounting solutions for phones of all sizes. From form-fitting holders to the popular spring-loaded RAM® X-Grip®, you can depend on RAM® to keep your phone secure and accessible nearly anywhere.

## RAM® PHONE MOUNTS

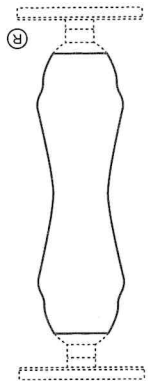

## RAM® FISHFINDER MOUNTS

Trusted by anglers around the world, RAM® marine electronic mounts offer near-infinite adjustability so your fishfinder is always at the perfect angle—no matter how rough the conditions. With compatible bases, it's easy to create your ideal fishfinder mount for Garmin, Lowrance, and Humminbird devices.

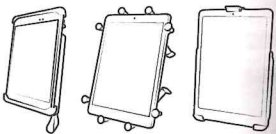

## THE SHAPE THAT STARTED IT ALL

RAM® double socket arms with their distinctive Hourglass Shape are recognized globally as a symbol of the reliability, quality, and durability of this line of products. The Hourglass Shape is a registered trademark of National Products Inc.

## RAM® TABLET MOUNTS

RAM® Mounts has inventive solutions no matter your tablet's size or intended application, including spring-loaded holders like the RAM® X-Grip® and RAM® Tab-Tite™. For enterprise-ready solutions, the IntelliSkin® line of military-grade drop protected sleeves provide standardized charging, data syncing, and peripheral enablement across GDS® Docks™ and accessories.
